Attention Homes Receives Grant to Fund Services to Runaway and Homeless Youth

Boulder, CO – Attention Homes announced today that it has received a \$25,000 Daniels Fund grant to support its newly opened Runaway and Homeless Youth Program.

Since 1966, Attention Homes has provided residential treatment, counseling and safe shelter to at-risk youth. Our goal is to help teens in crisis become healthy, productive members of our community.

“This generous grant from the Daniels Fund will enable Attention Homes to provide street outreach, day drop-in services and emergency shelter to runaway and homeless youth who would otherwise be without shelter options in our community,” said Allison Disbrow, Development Director.

Bill Daniels, a pioneer in cable television known for his kindness and generosity to those in need, established the Daniels Fund to provide grants and scholarships in Colorado, New Mexico, Utah, and Wyoming. For more information, please visit www.danielsfund.org.

Attention Homes estimates there are up to 200 teens living on the streets of Boulder County. “Our program offers the only shelter option for teens in Boulder County,” remarked Disbrow. “Youth in our care are provided healthy meals, safe shelter, case management and access to health care, education, vocational training, mentoring and more. Our ultimate goal is to help teens reunite with their families or to give them the tools needed to successfully move to a safe and long-term housing alternative. Attention Homes is grateful for the Daniels Fund’s support of this important program.”
